SERVICE AGREEMENT

BETTER RETURN ON YOUR INVESTMENT

Wear and tear is a normal and inevitable consequence of daily operation and for you to maintain best price for meat, regular scheduled service and maintenance is a significant factor.

With a tailored service agreement of scheduled services at fixed rates, you are ensured a well maintained plant with equipment in optimal condition, performing at its best and resulting in improved yield.

Obtain even more value from your service agreement by including other Services Solutions, described in the following.

VALUE FOR YOU

- Extend life-time of equipment
- Maximize operation efficiency
- Fixed rates - no unpleasant surprises
- Yield improvements

SPARE PARTS PACKAGE

SPARE PARTS PLAY A KEY ROLE

In the daily maintenance of equipment, the value of spare parts is often underestimated. Not getting the attention they deserve, can end up being costly.

To avoid that the tiniest spare part ends up being the most expensive one and to have a high level of service and maintenance with an efficient production, we advise you to stock a recommended spare part package covering critical wear and tear parts for your equipment.

VALUE FOR YOU

- Secure up-time on daily maintenance
- High performance of your equipment
- Low mean time to repair
- Optimizes labor and spare parts costs

INSPECTION

AN OPPORTUNITY FOR INCREASED PROFIT

Your productivity is only as good as your equipment and to achieve best price for meat, your equipment has to be in excellent condition.

Scheduled inspections ensures that your equipment has a high standard, optimized performance and results in improved yield and prolonged life-time of your entire plant.

From the inspections performed by skilled Frontmatec technicians you will receive reports with comprehensive information and service equipment recommendations.

VALUE FOR YOU

- Increased profit
- Minimize repair cost
- Prolonged life-time of equipment
- Optimal condition of equipment
