

SERVICE SOLUTIONS // SERVICE KIT AUTOMARKER M1

SECURE HIGH PRINT QUALITY OF YOUR AUTOMARKER M1 V4 WITH THE MARKER SERVICE

Whether you have the stand-alone or the AutoFom™ solution, preventive maintenance is of utmost importance for your AutoMarker to be in optimal condition ensuring reliable traceability and correct sorting.

Service will be performed by your Frontmatec specialist, separately, or during the annual service of your AutoFom III and includes:

- Inspection of all print heads, both mounted and stocked
- Change of filters
- Check of cleaning process
- Training of technicians, before, during, and after service
- Service kit covering the spare parts needed*

With this service you have the possibility to ensure a continuous high standard and performance of your equipment, providing you with prolonged life time and approved traceability. Please do not hesitate to contact us for more information.

**All extra parts changed by customer requirement along the service, will be invoiced separately*

Value for you!
