

SERVICE SOLUTIONS // AUTOMARKER M1™ UPGRADE

HOW TO IMPROVE THE PERFORMANCE?

Achieve time and labor savings with correct marking settings by having your Frontmatec specialists upgrade your AutoMarker M1.

The upgrade includes:

- 4 receipts settings with the correct parameters making it easy to switch, when needed, between the settings in no time. Each settings are with up to 8 digits, positioned optimally regardless of the carcass sizes.
- An IP65 display showing the last printed number
- The option for a stainless steel casing display

Please do not hesitate to contact us for more information. We are here to help!

Value for you!

- Improved yield
- Precision in payment
- Correct parameters
- Correct print position
- Traceability
- Cost efficiency
- Time and labor cost savings
